• GSSA & American Grand Championships: Our Teams Dominate Coast to Coast!

What an extraordinary competition season for Pyramid Athletics! Our teams dominated both Sacramento and Las Vegas, bringing home remarkable achievements from two major national events.

Sacramento GSSA Nationals - Prep Teams secured:

- Two First Place Champion Titles
- Judges Choice Award for Best Jumps
- US Finals Golden Ticket Bid

Vegas American Grand Nationals - Elite Teams earned:

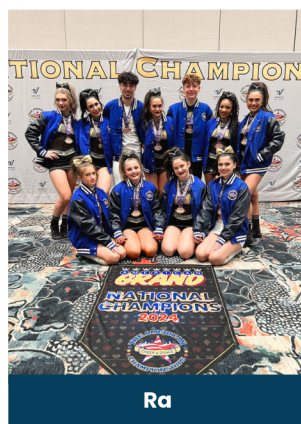

- Five First Place Champion Titles
- One Second Place & One Third Place Title
- Best Sportsmanship Award
- Two US Finals Golden Ticket Bids
- One At Large & One Full Paid Bid to The Summit

From Sacramento to Las Vegas, our teams have proven they're among the nation's best. These achievements showcase not just technical excellence, but also outstanding sportsmanship, a true reflection of PAs' values.

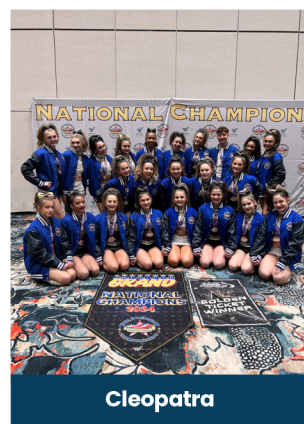

We couldn't be more proud of all our athletes for representing PA with such skill and determination. These results prove that our program continues to set the standard for excellence in competitive cheer!

Winter Camp Wrap-Up: A Big Thank You to Our Campers!

Thank you to all our amazing families who participated in our winter camps at Gym Beat! It has been an absolute joy watching your children learn, grow, and have fun in our gym. From new friendships to new skills, every day was filled with excitement and memorable moments. Your support and trust in our program means the world to us, and we can't wait to see everyone back for more adventures in future camps. Keep an eye out for upcoming program announcements! There's always something exciting happening! Here's to many more flips, tricks, and memories together!

Sam's Corner: Happy 2025

Happy New Year! It was a very successful 2024 with all of our classes growing, especially the acrobatic class. What started earlier in the year with about 7 kids on Saturdays has now grown to over 20 kids! With the addition of calisthenics pro - Alexandria (Coach Alex) joining fellow coaches Daryl and Lizzy, a new class will form in February on Tuesdays. Be sure to find out more details at the front desk!

As we are seeing many of our classes grow to the point where waiting lists are normal, we ask all of our families to be patient while keeping updated on new recreational, ninja, cheer tumbling and pre-k/toddler classes! 2025 will be even better! So hang on to your hats, you ain't seen nothing yet!

The Sydney Weakley Legacy Continues: Honoring Achievement & Dedication

We are excited to announce Roxy as this year's scholarship recipient! In a special moment at Gymnastics Beat, we gathered to celebrate this achievement with Roxy and her family. Recognizing her exceptional passion for cheer and commitment to growth, our gym owner Sam Shima presented a \$1,000 award.

The gathering was particularly heartwarming as Sydney's mother shared touching memories of Sydney's time at our old gym location, expressing her pride in seeing how our community continues to grow and flourish. Her enduring connection with Gym Beat and Sam highlights the deep bonds formed in our gymnastics family. The Vang family's thoughtful gesture of presenting flowers to Sydney's mother added an extra touch of warmth to this meaningful occasion.

This scholarship, created in honor of our beloved former athlete and coach Sydney Weakley, represents far more than financial support. It embodies the spirit of passion, dedication, and excellence in gymnastics that Sydney exemplified throughout her journey. Through this scholarship, we aim to recognize and support young athletes who share Sydney's unwavering dedication to the sport and demonstrate the values she held.

Special Moment with Family

The impact of this scholarship extends beyond financial assistance and it serves as an inspiration to all our young gymnasts, showing them that dedication, hard work, and passion for the sport can lead to meaningful recognition and support. Keep an eye out for next year's Sydney Weakley Scholarship opportunity! This \$1,000 award celebrates the dedication and love for gymnastics/cheer while honoring Sydney's incredible legacy. Stay tuned for application details coming in Fall 2025.

At Gymnastics Beat, we believe in nurturing more than just athletic skills. We foster dreams and build lasting connections. We're grateful for the Weakley family's continued support and cherished presence in our community. As this meaningful tradition grows, we look forward to inspiring future generations through Sydney's passion and excellence!
