COMPETITION TEAM

THANK YOU, JUNIOR OLYMPICS TEAM

We said Goodbye to our entire Junior Olympics Team at the end of this season – and we went out with a bang! Jenna Hancock went to the USAG Regional Championships and won 2nd place on bars, 2nd place all around, and 1st place on beam. What a great way to end the season with a Regional Champion representing Gymnastics Beat!

Moving forward, our gym will be hosting a National Gymnastics Association (NGA) team instead of a USAG team. It's not a big change overall, and we are proud to continue to facilitate the sport of competitive gymnastics for Fresno.

2023 SYDNEY WEAKLEY MEMORIAL SCHOLARSHIP

OUR WINNER - MARIYA SNYDER

This year's recipient is Mariya Snyder, selected by the family of Sydney Weakley.

Owner Sam Shima, Melanie Weakley, Mariya Snyder, Bethany, PA cheer director Claudia Getchell.

This month we said a melancholy goodbye to our awesome Junior Olympics team coach. She got us through a lot of big changes and saw that our team kept up on their practices through it all, and performed at their best this spring. With her help, our gymnasts set new personal records in competition, and one awesome gymnast made it to Regional Championships – and won! We are grateful to Eleanor for all her hard work here at Gymnastics Beat, and we will miss her dearly.

SAM'S CORNER

BY SAM SHIMA

June is right around the corner! That means summer camp is coming! Parents are already asking for summer camp schedules, prices, etc... Please plan and watch for special offerings. Our typical day includes warm-ups, floor exercises, and later rotations to the various pieces of equipment, such as the bars, beams, trampolines, cargo net climb, climbing wall, obstacle courses, and the best part? - our famous outdoor water games! Sign up ahead, so we have the proper ratio of coaches to students, and the whole summer will be a blast!

Now that school will be out soon, teachers and educators are also inquiring about field trips to our gym. We've been hosting various school districts and one of their favorite places to attend is right here at GymBeat. We've been providing such field trips for 2 decades now and have become just as popular as the zoo, pumpkin patch, and even the planetarium! Busloads of kids get 2 hours of 'FUN' physical exercise, just like our regular classes, plus extra time for open play and our obstacle courses. So, when the fall season begins later in August, please consider us for your upcoming 2023/2024 year of field trip destinations!
