

ABOUT US

GYMNASTICS EXCELLENCE FOR
OVER 20 YEARS !

Our coaches have over 30 years of combined experience working with children in various environments and gymnastics training centers.

Staff have degrees in early childhood development and clinical social work. They have attended national and regional congresses focused on the child and adolescent movement in a safe, fun, and nurturing environment.

At Gymnastics Beat we believe in the value of respecting the entire child while working on gross and fine motor skills, socialization, self-confidence, and self-esteem.

SUMMER CAMP

Join us for a fun-filled
summer of learning,
exploring, and growing!

WHAT DOES A DAY AT CAMP LOOK LIKE?

"Gymnastics allows kids to boost both body and mind while having fun."

Gymnasts will explore their abilities in all four gymnastics events: vault, bars, beam, and floor. Gymnasts are offered water play outside or crafts. We partake in team building games, obstacle courses, rope and rock wall climbing, trampoline, and access to our ninja warrior equipment.

Morning and afternoon snacks can be provided, surrounding the lunch break.
